

Our Star-Spangled Story

Additional Literature Suggestions

If you have already read one or more of the books we recommend, or if your child is a voracious reader who wants more, here are some additional literature suggestions. Some of these books or authors have content that might make you or your child uncomfortable (scary situations, unkind comments by one character toward another, etc.). Please be selective based on your own child's needs and maturity level.

In addition to these suggestions, you can find many biographies written for children. These are a great way to find out more about people you meet in *Our Star-Spangled Story*. Even "picture books" that have an historical basis can offer excellent illustrations and be enjoyed by all ages.
